

The 1985-86 Annual is dedicated to Mrs. Reba Wheeler, in appreciation for her eighteen long years of hard work in Boise City Public Schools

Mrs. Reba Wheeler has been a classroom teacher in Oklahoma for the past twenty-five years. She began her teaching career in the eastern part of the state, and gradually moved west. Reba's first position was in McCurtain, Oklahoma, where she taught Business Education. Later, in 1947, she taught Business in Marlow High School. From 1948 until 1953, she taught Public School Art in John Marshall High School in Oklahoma City. In 1968, Mrs. Wheeler joined the staff in Boise City Junior High, where she remained until retiring this year.

Editors' Note

In the last year we have had many memorable moments, which each will remember. In this yearbook we have tried to recapture some of those moments, whether exciting, disappointing, or sentimental. Most events were carried out with "FRIENDS." Friends mean so much to each and everyone of us. Everyone is their happiest when they are among friends. I hope, as years pass by, you can look at the '86 Wildcat yearbook and the friends who made them memorable.

We would like to personally thank the following people for their help in making this yearbook possible:

Mr. and Mrs. Gordon Folkers and Mr. Jim Rosebery for all of the many times they took pictures
Blunk Studio for all the time they spent taking pictures and developing our pictures so promptly
A special thanks to Danessa Harkins, Shelly Davis and Shon Pilkington for all their help.
To Mrs. Carla Wilson, sponsor, we wish to thank you

To Mrs. Carla Wilson, sponsor, we wish to thank you for everything.

Even though this has been our first year in editing the yearbook, we feel we have succeeded in putting forth one of the best books yet.

Now to all of the classmates, teachers, and administration for putting up with us and all of the long days of picture taking — Thank you.

This book represents the emotions, the insights, the happenings, the relationships, and the knowledge of books and of yourself which are opened to each individual. We have tried to show the doors which have been opened in a high school year; yet remember that there are many more doors which must be opened in the corridors to your mind.

"Climb Till Your Dream Comes True" Often your tasks will be many. And more than you think you can do . . . Often the road will be rugged And the hills will be rough too . . . But always remember the hills ahead Are never as steep as they seem. And with faith in your heart start upward And climb till you reach your dream. For nothing in life that is worthy is ever too hard to achieve If you have the courage to try it And you have the faith to believe . . . For faith is a force that is greater Than knowledge or power or skill And many defeats turn to triumph If you trust in God's wisdom and will . . . For faith is a mover of mountains. There's nothing that God cannot do. So start out today with faith in your heart And "Climb Till Your Dream Comes True!"
